CONSIDER A CAREER WITH US !

The Novato Fire Protection District is currently seeking a fulltime EMS Educator. The ideal candidate is a paramedic, registered nurse, physician's assistant or M.D. that has recent field experience in EMS and can be accredited as a paramedic in Marin County within 12 months of hire.

The candidate will have a strong background and experience in education at the ALS as well as BLS level, curriculum development, performance evaluation and the principals and practices of CQI. Some of the qualities that are ideal for this position include the ability to work effectively and efficiently with minimal supervision, project a positive, professional image to individuals and groups, and be comfortable representing the Fire District at various local and regional committees.

The Novato Fire Protection District serves a community of over 60,000 residents and encompasses a 71 square mile area. The District responds to more than 4,700 emergency incidents per year. We deliver EMS service to our community with ALS ambulances and engine companies responding from four, soon to be five, stations.

If you have the above or more qualifications and are waiting to work with a quality organization and a professional team contact the Novato Fire Protection District for an application packet at 415-878-2690.

If you would like to ask question regarding the EMS Educator position contact Battalion Chief Ted Peterson at 415 878 2626 or TPeterson@novatofire.org
